Interactive map

This interactive map helps you to find information, plan your project and upload file. Select the  icon for guidance on how to use this map. For best results in printing the map, download and print a copy of the PDF version by clicking on the  icon.

The screenshot displays a web-based interactive map interface. On the left, a white legend panel is titled "Legend" and contains a single entry: "Environmentally Sensitive Areas" with a light green square icon. The main map area shows a satellite view of a rugged, brownish landscape. A dashed black line with a white border is drawn across the terrain, indicating a measurement. A tooltip next to the line reads "Length: 72.47 km". The interface includes a blue sidebar on the left with various tool icons (search, home, print, etc.) and a vertical toolbar on the right with navigation and utility icons. At the bottom left, a status bar shows "Mapdata © 2024", a scale of "10 km", and coordinates "-30.812298, 121.503641". A footer at the bottom reads "Powered By Esri - Source: Esri, Maxar, Earthstar, Geographics, and the GIS User Community".

The screenshot displays an interactive map interface. On the left, a white legend panel titled "Legend" is visible, containing a search icon, a dropdown arrow, and two entries: "Threatened Ecological Communities" (with a three-dot menu and an upward arrow), "Priority" (with a hatched box icon), and "Threatened" (with a solid green box icon). Below the legend is a blue vertical toolbar with icons for search, home, print, edit, layers, and a menu. The main map area shows a satellite view of a mountainous region with a dashed black line indicating a route. A label above the line reads "Length: 209.17 km". On the right side of the map, there is a vertical toolbar with icons for home, back, forward, and search. At the bottom left, a status bar shows "Mapdata: © 2024", a scale bar for "50 km", and coordinates "-30.796377, 121.502110". Below the status bar, it says "Powered by: Esri | ArcGIS | Esri | Maxar | Earthstar | Geographics and the GIS User Community".

The screenshot displays an interactive map interface. On the left, a white legend panel titled "Legend" is open, listing various categories under "Threatened and Priority Fauna":

- Threatened - Critically endangered
- Threatened - Endangered
- Threatened - Vulnerable
- Specially Protected - Migratory Bird
- Specially Protected - Conservation Dependent
- Specially Protected - Other Specially Protected
- Presumed Extinct
- Priority Fauna

The main map area shows a satellite view of a brown, hilly landscape. A dashed line indicates a measurement of 6.69 km. The interface includes a vertical toolbar on the left with icons for search, home, print, edit, layers, and a menu. On the right, there are icons for share, refresh, home, and download. At the bottom left, a status bar shows "Maptaskr © 2024", a scale of "5 km", and coordinates "-30.814392, 121.496004". A footer at the bottom reads "Powered By: Esri - Source: Esri, Maxar, Earthstar Geographics, and the GIS User Community".

The screenshot displays an interactive map interface. On the left, a white legend panel titled "Legend" is visible, featuring a search icon and a list of categories under "Threatened and Priority Flora (DBCA-036)":

- Priority 1 (Yellow circle with '1')
- Priority 2 (Yellow circle with '2')
- Priority 3 (Yellow circle with '3')
- Priority 4 (Yellow circle with '4')
- Threatened (Red circle)
- Extinct (Purple circle with 'X')

The main map area shows a satellite view of a brown, hilly landscape. A blue dot is placed on the map, with a dashed line extending from it to a label that reads "Length: 5.73 km". Several yellow numbered markers (1, 2, 3, 4) are scattered across the terrain. On the right side of the map, there is a vertical toolbar with icons for home, back, forward, and print. A small help icon is located in the bottom right corner of the map area.

The screenshot displays an interactive map interface. On the left, a white legend panel titled "Legend" is visible, containing a section for "Aboriginal Sites and Heritage Places" with four categories: "Contact DAA" (pink square), "Lodged" (purple square), "Registered Site" (light green square), and "Stored Data / Not a Site" (blue square). The main map area shows a satellite view of a landscape with several colored overlays: a large blue rectangle, a light green rectangle, and a purple rectangle. A dashed line indicates a distance of "Length: 4.07 km" between two points. The interface includes a dark blue sidebar on the left with navigation icons (search, home, layers, edit, settings, list, and print) and a vertical toolbar on the right with icons for zoom, home, and download. At the bottom, a status bar shows "Maptaskr © 2024", a scale of "1000 m", and coordinates "-30.810390, 121.494044". A footer note reads "Powered By: Esri - Source: Esri, Maxar, Earthstar Geographics, and the GIS User Community".

The screenshot displays a web-based GIS application interface. On the left, a white legend panel titled "Legend" is open, showing a list of "Public Drinking Water Source Areas":

- P1 Area (Red square)
- P2 Area (Yellow square)
- P3 Area (Light Green square)
- P3* Area (Dark Green square)
- Priority NA (Blue square with checkmark)

The main map area shows a satellite view of a rugged, brownish landscape. A blue dashed line indicates a path or boundary. A black dashed line with a white dot at the end is labeled "Length: 42.86 km". The interface includes a vertical toolbar on the left with icons for search, home, layers, and help. A vertical toolbar on the right contains icons for navigation, home, and print. At the bottom, a status bar shows "Maptask © 2024", a scale of "20 km", and coordinates "-30.814012, 121.498837". A footer note reads "Powered By: Esri - Source: Esri, Maxar, Earthstar Geographics, and the GIS User Community".
