an officer delegated under section 20 of the *Environmental Protection Act 1986* (WA)

Licence history

Date	Reference number	Summary of changes
30/01/2023	L9365/2022/1	Licence granted.

Interpretation

In this licence:

- (a) the words 'including', 'includes' and 'include' in conditions mean "including but not limited to", and similar, as appropriate;
- (b) where any word or phrase is given a defined meaning, any other part of speech or other grammatical form of that word or phrase has a corresponding meaning;
- (c) where tables are used in a condition, each row in a table constitutes a separate condition;
- (d) any reference to an Australian or other standard, guideline, or code of practice in this licence:
 - (i) if dated, refers to that particular version; and
 - (ii) if not dated, refers to the latest version and therefore may be subject to change over time;
- (e) unless specified otherwise, any reference to a section of an Act refers to that section of the EP Act; and
- (f) unless specified otherwise, all definitions are in accordance with the EP Act.

NOTE: This licence requires specific conditions to be met but does not provide any implied authorisation for other emissions, discharges, or activities not specified in this licence.

Licence conditions

The licence holder must ensure that the following conditions are complied with:

Premises Operation

1. The Licence Holder shall only accept waste onto the Premises if:
 - (a) it is of a type listed in Table 1;
 - (b) the quantity accepted is at or below any quantity limit listed in Table 1; and
 - (c) it meets any specification listed in Table 1:

Table 1: Waste acceptance

Waste type	Quantity Limit	Specification
Inert Waste Type 1	50,000 tonnes per annum	Recycled, recovered asphalt material that is free from rock, glass and asbestos, sourced from residential, construction and demolition, commercial and industrial waste only.

2. The Licence Holder must ensure that the waste types specified in Table 2 are only subjected to the corresponding process, subject to the corresponding process limits and/or specifications.

Table 2: Waste processing

Waste type	Process(es)	Process limits and/or specifications
Inert Waste Type 1	Acceptance, handing, crushing, screening, processing and stockpiling prior to reuse or disposal offsite	<ul style="list-style-type: none"> Crushed, screened, processed and stockpiled material must be wet down and kept in a damp state to prevent emissions of fugitive dust; Crushing and screening activities must only occur between 7:00am and 5:00pm Monday to Saturday, excluding public holidays; A maximum of 6,000 tonnes of processed and/or unprocessed asphalt can be stockpiled on at the Premises per annual period.

Infrastructure and equipment

3. The Licence Holder shall ensure that the infrastructure and equipment specified in Column 1 of Table 3 is maintained in good working order and operated in accordance with the requirements specified in Column 2 of Table 3.

Table 3: Infrastructure and equipment requirements

Column 1	Column 2
Premises infrastructure and equipment	Operational requirements
Crusher RubbleMaster RM100GO & a Front-end Loader (or equivalent)	<ul style="list-style-type: none"> Fitted with dust suppression equipment including water sprayers inside the unit and at the outlet and belts. Maintain the pipes and spray bars within the unit and at the outlet and belts; Maintain the pump, or maintain the connection to mains water supply, to provide water to the main conveyor; Operated In accordance with the Manufacturer's operating and servicing instructions.

Monitoring

4. The Licence Holder shall undertake the monitoring in Table 4 according to the specifications in that table.

Table 4: Monitoring of inputs and outputs

Input/Output	Parameter	Units	Averaging Period	Frequency
Waste Inputs	Inert Waste Type 1	Tonnes	Monthly	Each load arriving at the Premises
Waste Outputs				Each load leaving the Premises

Records and reporting

5. The Licence Holder must maintain accurate and auditable books including the following records, information, reports, and data required by this licence:
- the calculation of fees payable in respect of this licence;
 - any maintenance of infrastructure that is performed in the course of complying with conditions 1 to 3 of this licence;
 - monitoring programs undertaken in accordance with condition 4 of this licence; and
 - complaints received under condition 7 of this licence.
6. The books specified under condition 5 must:
- be legible;
 - if amended, be amended in such a way that the original version(s) and any subsequent amendments remain legible and are capable of retrieval;
 - be retained by the licence holder for the duration of the licence; and

- (d) be available to be produced to an inspector or the CEO as required.
- 7.** The Licence Holder must record the following information in relation to complaints received by the licence holder (whether received directly from a complainant or forwarded to them by the Department or another party) about any alleged emissions from the premises:
- (a) the name and contact details of the complainant, (if provided);
 - (b) the time and date of the complaint;
 - (c) the complete details of the complaint and any other concerns or other issues raised; and
 - (d) the complete details and dates of any action taken by the licence holder to investigate or respond to any complaint.
- 8.** The Licence Holder must:
- (a) undertake an audit of their compliance with the conditions of this licence during the preceding annual period; and
 - (b) prepare and submit to the CEO by no later than 31 December annually after the end of that annual period an Annual Audit Compliance Report in the approved form.
- 9.** The Licence Holder must comply with a Department Request, within 14 days from the date of the Department Request or such other period as agreed to by the Inspector or the CEO.

Definitions

In this licence, the terms in Table 5 have the meanings defined.

Table 5: Definitions

Term	Definition
ACN	Australian Company Number
Annual Audit Compliance Report (AACR)	means a report submitted in a format approved by the CEO (relevant guidelines and templates may be available on the Department's website).
Annual period	a 12 month period commencing from 1 January until 31 December of the immediately following year.
Books	has the same meaning given to that term under the EP Act.
CEO	means Chief Executive Officer of the Department. "submit to / notify the CEO" (or similar), means either: Director General Department administering the <i>Environmental Protection Act 1986</i> Locked Bag 10 Joondalup DC WA 6919 or: info@dwer.wa.gov.au
Condition	means a condition to which this Licence is subject under s.62 of the EP Act.
Department	means the department established under section 35 of the <i>Public Sector Management Act 1994</i> (WA) and designated as responsible for the administration of the EP Act, which includes Part V Division 3.
Department Request	means a request for Books or other sources of information to be produced, made by an Inspector or the CEO to the Licence Holder in writing and sent to the Licence Holder's address for notifications, as described at the front of this Licence, in relation to: (a) compliance with the EP Act or this Licence; (b) the Books or other sources of information maintained in accordance with this Licence; or the Books or other sources of information relating to Emissions from the Premises.
Discharge	has the same meaning given to that term under the EP Act.
Emission	has the same meaning given to that term under the EP Act.
EP Act	<i>Environmental Protection Act 1986</i> (WA)
EP Regulations	<i>Environmental Protection Regulations 1987</i> (WA)

Term	Definition
Inspector	means an inspector appointed by the CEO in accordance with s.88 of the EP Act.
Licence	refers to this document, which evidences the grant of a licence by the CEO under section 57 of the EP Act, subject to the specified conditions contained within.
Licence holder	refers to the occupier of the premises, being the person specified on the front of the licence as the person to whom this licence has been granted.
Premises	refers to the premises to which this licence applies, as specified at the front of this licence and as shown on the premises map(s) (Figure 1 and 2) in Schedule 1 to this licence.
Prescribed premises	has the same meaning given to that term under the EP Act.
Primary Activities	refers to the Prescribed Premises activities listed on the front of this Licence at the locations shown in Schedule 1.
Waste	has the same meaning given to that term under the EP Act.
