Dear Manager,

Plastic in the oceans kills marine life, and is a scourge in land fills.

Shoppers must provide their own reusable bags.
Ban all single use HDPE bags up to 70 micronns.

Please also ban mass balloon releases, single use plastic drinking straws, and products which include plastic microbeads, as all of these products present a continuous threat to our Western Australian wildlife and environment.

I note that the Environmental Protection Amendment (Banning Plastic Bags and Other Things) Bill 2017 provides a ready framework for the Government to deliver this.

Thank you.

Yours sincerely, Melanie Leigh [REDACTED]
