Subject: DER Draft Guidance Statement: Regulatory Controls

Hi there,

Can you help me please in relation to a query I have with the DER's Draft Guidance Statement: Regulatory Controls that has been issued for consultation?

The first table in Appendix 1 (on page 4) of the document is missing the Emission Type "Chemical" and a Description. Are you able to provide a description for the emission type chemical? Or can you please point me to another document where this description may be?

Regards,
