Notification of non-conforming load

Environmental Protection (Controlled Waste) Regulations 2004

FORM CW19

The Department of Water and Environmental Regulation (the Department) regulates the transportation of controlled wastes.

The [Environmental Protection \(Controlled Waste\) Regulations 2004](#) (the Regulations) provide for the licensing of carriers, drivers, and vehicles involved in the transportation of controlled waste on roads in Western Australia (WA).

Retain a copy of this form for your records.

For further information please refer to the Regulations.

If there is insufficient room on any part of this notification form, continue on a separate sheet of paper and attach to this notification form, numbering ALL pages.

Incomplete or illegible applications will not be processed. If you are unsure about completing
