Amendment Notice

This Notice is issued under section 59 of the *Environmental Protection Act 1986* (EP Act) to amend the licence issued under the EP Act for a prescribed premises as set out below. This notice of amendment is given under section 59B (9) of the EP Act.

Amendment Description

Altura Lithium Operation Pty Ltd was granted a transferred Licence by DER on 21 February 2017 from Roy Hill Infrastructure Pty Ltd for the operation of the premises under category 54 sewage facility with a capacity of 175.7 cubic metres per day. At the time of the Licence transfer, the licence expiry date 2 September 2017 on page one of the Licence was not updated to 2 September 2031, which had been given under a separate administrative notice in accordance with Section 59B(9) of the *Environmental Protection Act 1986* on 29 April 2016.

The Licence Holder requested the change of registered address to Level 2, 23 Barrack Street, Perth 6000 on 1 May 2017.

This amendment Notice is the result of an administrative amendment initiated by the Delegated Officer to update the licence expiry date.

Decision

The amendment of the Licence L8610/2011/1 is made by the Delegated Officer pursuant to section 59(1) (e) of the EP Act to make an administrative correction to the licence expiry date.

The amendment is administrative in nature and will not impact on the environmental risk or emissions and discharges from the premises.
