Amendment notice

This amendment is made pursuant to section 59 of the *Environmental Protection Act 1986* (EP Act) to amend the works approval issued under the EP Act for a prescribed premises as set out below. This notice of amendment is given under section 59B(9) of the EP Act.

The key documents and guidance statements that have informed the decision are listed in Appendix 1

Amendment description

This amendment is the result of an application submitted by the Works Approval Holder and relates to the extension of the Works Approval expiry date from 28 February 2019 to 28 August 2018 to allow time for commissioning under the Works Approval to be completed due to delays associated with the construction of infrastructure. Commissioning is now expected to be completed by January 2018. To ensure there is sufficient time to complete commissioning and process any subsequent licence applications, the Works Approval Holder has requested a six month extension to the Works Approval.
