## 1. Decision summary

The Delegated Officer has determined to make amendments to Licence L6465/1989/10. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the Existing licence will remain on the department's website for future reference and will act as a record of the department's decision making.

## 2. Scope of assessment

### 2.1 Regulatory framework

In amending the licence, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

### 2.2 Application summary

Licence L6465/1989/10 is held by Alcoa of Australia Ltd (Licence Holder) for the Willowdale Mine (the Premises), located at Willowdale Road, Waroona.

The Premises relates to the category 5 and the assessed production capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Licence L6465/1989/10.

On 21 September 2021, the Licence Holder submitted an application to the department to amend Licence L6465/1989/10 under section 59B of the *Environmental Protection Act 1986* (EP Act). The amendment is limited only to extending the timeframe for completion of construction activities as identified in Table 2 of the Licence, from 30 September 2021 to 31 March 2022.

## 3. Consultation

The Licence Holder was provided with the draft Amendment Report on 9 November 2021. No comments were received from the Licence Holder.

## 4. Conclusion

Based on the assessment in this Amendment Report, the Delegated Officer has determined that an amended licence will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

### 4.1 Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the Revised licence as part of the amendment process.

**Table 1: Summary of licence amendments**

Condition no.	Proposed amendments
Table 2: Infrastructure and equipment requirements table	Change timeframe from 30 September 2021 to 31 March 2022.
