1. Decision summary

The Delegated Officer has determined to make amendments to licence L7200/1997/10. The amendments are administrative in nature therefore they do not alter the risk profile of the premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the existing licence will remain on the department's website for future reference and will act as a record of the department's decision making.

2. Scope of assessment

2.1 Regulatory framework

2.2 Amendment summary

Licence L7200/1997/10 is held by Cleanaway Pty Ltd (Licence Holder) for the Gordon Road Transfer Station (the premises), located at Lot 300 on Plan 401608 Corsican Place Parklands, WA 6180.

The Licence Holder submitted an application for a licence amendment on 17 April 2023 to increase the Category 62 throughput and meet the conditional requirement to lodge a Fire and Emergency Management Plan, which was granted on 13 November 2023. On 20 November 2023, the department initiated an amendment to licence L7200/1997/10. The amendment is limited to amending the due date for lodgement of the Annual Audit Compliance Report, to be 30 days after the end of the annual period.
