2. Amendment report

This amendment is made pursuant to section 59 of the *Environmental Protection Act 1986* (EP Act) to amend the Licence issued under the EP Act for a prescribed premises as set out below.

This amendment is limited to a change of the licence duration and the correction of administrative errors.

The following guidance statements have informed the assessment and decision outlined in this Amendment Report.

- *Guidance Statement: Licence Duration (August 2016)*

3. Amendment description

This amendment was initiated by DWER due to the approaching expiry date of the Licence. An extension of the Licence duration without a risk assessment is considered appropriate given that a full review of the Licence was finalised in August 2018.

The Licence duration has been extended for three years, from 28 April 2020 to 28 April 2023. The Delegated Officer has given regard to the duration of the current lease agreement in place for the Premise and has determined that an extension of 3 years is appropriate.

4. Lease agreement

The Licence Holder has an agreement in place to sublease from Derby Industries Pty Ltd who lease the Premises from George Weston Foods Limited. The agreement expires on 5 November 2022.

DWER acknowledges that the lease agreement expires prior to the licence expiry. It is the Licence Holder's responsibility to ensure that the lease agreement is extended.
