1. Decision summary

The Delegated Officer has determined to make amendments to Licence L9280/2021/1. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the Existing licence will remain on the department's website for future reference and will act as a record of the department's decision making.

2. Scope of assessment

2.1 Regulatory framework

In amending the licence, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

2.2 Amendment summary

Licence L9280/2021/1 is held by Atlas Iron Pty Ltd (licence holder) for Sanjiv Ridge (the Premises), located at mining tenements G45/339, L45/408, L45/407, L45/410 and M45/1257 in the Shire of Nullagine, Western Australia.

The Premises relates to the categories and the assessed design capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Licence.

On 7 November 2025, the department initiated an amendment to Licence L9280/2021/1. The amendment is limited to correcting condition numbering.

3. Consultation

The Licence Holder was provided with the draft Amendment Report on 12 November 2025. Comments received from the Licence Holder on 13 November 2025, which identified that the condition numbering was still incorrect, have been considered by the Delegated Officer and corrected.

4. Conclusion

Based on the assessment in this Amendment Report, the Delegated Officer has determined that an amended licence will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

4.1 Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the Revised licence as part of the amendment process.

Table 1: Summary of licence amendments

Condition no.	Proposed amendments
15	Correct numbering so that the text of condition 15 is not broken across two conditions. Renumber all subsequent conditions.
29 and 30	Renumber conditions to Condition 29 and Condition 30. The issued licence had these conditions listed as Conditions 28 and 29 in error.
