## 1. Decision summary

The Delegated Officer has determined to transfer licence L9455/2024/1 to Greatland Pty Ltd. The transfer is administrative in nature therefore does not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

## 2. Scope of assessment

### 2.1 Regulatory framework

In completing the assessment documented in this decision report, the Department of Water and Environmental Regulation (the department; DWER) has considered and given due regard to its regulatory framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

### 2.2 Application summary

On 10 February 2025, the applicant submitted an application to the Department to transfer licence L9455/2024/1 under section 59B of the *Environmental Protection Act 1986* (EP Act) from Newmont NOL Pty Limited to Greatland Pty Ltd.

The premises relates to category 6, mine dewatering and assessed production capacity under Schedule 1 of the Environmental Protection Regulations 1987 (EP Regulations) which are defined in Licence L9455/2024/1.

## 3. Assessment

The assessment of transfer applications requires determination of whether the new occupier meets the department's fitness and competency requirements. The applicant must provide documentary evidence of the date they became occupier of the premises.

### Legal occupancy

A sale and purchase agreement was provided demonstrating that Greatland Pty Ltd are the registered proprietors of the premises (Mining tenement M45/1287). The acquisition was completed on 4 December 2024 and Greatland Pty Ltd became the sole occupier of M45/1287 from that date.

### Legal entity status

Greatland Pty Ltd is a registered company with a valid and current entry on the Australian & Investments Commission register (ACN 108 498 997) and is therefore a legal entity.

### Fitness and competency

The applicant advises it has not been convicted or paid a penalty for an offence under a provision of the EP Act or its subsidiary legislation or similar environmental protection legislation in Australia. Further, a review of the department's internal Incidents and Complaints Management System did not identify and complaints or potential offences against the applicant.

## 4. Conclusion

The Delegated Officer has determined to transfer licence L9455/2024/1 to Greatland Pty Ltd on the grounds it is a current legal entity with legal access to the premises and has no known convictions.
