#### **MANAGER – WASTE INDUSTRIES**

an officer delegated under section 20 of the *Environmental Protection Act 1986* (WA)

## 1. Decision summary

The delegated officer has determined to make amendments to works approval W6201/2018/1. The amendments are administrative in nature therefore they do not alter the risk profile of the premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This amendment report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The decision report for the existing works approval will remain on the department's website for future reference and will act as a record of the department's decision making.

## 2. Scope of assessment

### 2.1 Regulatory framework

In amending the works approval, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

### 2.2 Application summary

Works approval W6201/2018/1 is held by Water Corporation (works approval holder) for the Exmouth North Wastewater Treatment Plant (the premises), located at Murat and Willersdorf Roads, Exmouth.

The premises relates to the category and the assessed design capacity under Schedule 1 of the Environmental Protection Regulations 1987 (EP Regulations) which are defined in existing works approval W6201/2018/1.

On 1 August 2024, the works approval holder submitted an application to the department to amend works approval W6201/2018/1 under section 59B of the *Environmental Protection Act 1986* (EP Act). The amendment is limited to the extension of the works approval expiry date to 31 December 2029, due to construction delays.

## 3. Consultation

The works approval holder was provided with a draft amendment report on 4 September 2024. No comments were received from the works approval holder.

## 4. Conclusion

Based on the assessment in this amendment report, the delegated officer has determined that an amended works approval will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

### 4.1 Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the revised works approval as part of the amendment process.
