1. Decision summary

The Delegated Officer has determined to make amendments to Works Approval W6828/2023/1. The amendments are administrative in nature therefore they do not alter the risk profile of the Premises, providing that activities, emissions and receptors as stated in existing approvals remain unchanged.

This Amendment Report documents the amendments made pursuant to section 59 and 59(B) of the *Environmental Protection Act 1986* (EP Act).

The Decision Report for the existing Works Approval will remain on the department's website for future reference and will act as a record of the department's decision making.

2. Scope of assessment

2.1 Regulatory framework

In amending the Works Approval, the department has considered and given due regard to its Regulatory Framework and relevant policy documents which are available at <https://dwer.wa.gov.au/regulatory-documents>.

2.2 Amendment summary

Works Approval W6828/2023/1 is held by Dodd & Dodd Group Pty Ltd (Works Approval Holder) for the C.D. Dodd – Onslow (the Premises), located on part of Lot 550 on Deposited Plan 414367, Reserve 53324, Onslow Road, Talandji.

The Premises relates to the categories and the assessed design capacity under Schedule 1 of the *Environmental Protection Regulations 1987* (EP Regulations) which are defined in existing Works Approval W6828/2023/1.

On 11 September 2024, the Works Approval Holder submitted an application to the department to amend Works Approval W6828/2023/1 under section 59B of the *Environmental Protection Act 1986* (EP Act). The amendment is limited only to extending the time limited operations under Condition 5(a) to 23 March 2025 due to delays in construction of the final item of infrastructure, the Automatic High Pressure Decontamination Facility (AHDF) referred to in Table 1 (item 4) of the Works Approval. On 5 February 2025 the Works Approval Holder requested that this date be extended further to 30 June 2025 to enable sufficient time for the submission and assessment of the Licence application.

3. Consultation

The Works Approval Holder was provided with the draft Amendment Report on 13 February 2025. On 14 February 2025 the Works Approval Holder waived the comment period.

4. Conclusion

Based on the assessment in this Amendment Report, the Delegated Officer has determined that an amended Works Approval will be granted, subject to conditions commensurate with the determined controls and necessary for administration and reporting requirements.

4.1 Summary of amendments

Table 1 below provides a summary of the proposed amendments and will act as a record of implemented changes. All proposed changes have been incorporated into the revised Works Approval as part of the amendment process.

Table 1: Summary of Works Approval amendments

Condition no.	Proposed amendments
Condition 5(a)	Change of wording to allow time limited operations to 30 June 2025.
