#### Details of non-compliance:

During a DWER inspection it was identified that between revisions of the Operating Licenses and the move to Landfill 2, LV tyre disposal into Landfill 2 was no longer permitted by the License, however LV tyre disposal into Landfill 2 continued to occur.

What was the actual (or suspected) environmental impact of the non-compliance?

**NOTE** – please attach maps or diagrams to provide insight into the precise location of where the noncompliance took place.

There were no environmental impacts from this non-compliance, tyre disposal was immediately ceased when DWER identified hat the wording in the license did not allow for disposal of LV tyres into Landfill 2.
