Application for exemption under regulation 5(1)(e)
Waste Avoidance and Resource Recovery Levy Regulations 2008

FORM LL02-05

Regulation 5 of the Waste Avoidance and Resource Recovery Levy Regulations 2008 sets out the circumstances under which licensees can apply to claim an exemption from the regulations.

Licensees are required to use this form to apply for an exemption under **regulation 5(1)(e)** being:

Waste resulting from storm, fire, flood or other natural disaster that cannot reasonably be reused, reprocessed, recycled or used in energy recovery.

Instructions

Before submitting this application form please ensure that you have completed all required fields, signed the form and have included copies of required supporting information as set out in the form.

If there is insufficient space on any part of this form, please continue on a separate page and attach to this application form, ensuring that all pages are numbered.

Incomplete or illegible applications will not be assessed. If you require assistance in completing any part of this application form, please contact the Department of Water and Environmental Regulation (DWER) on (08) 6364 6963. DWER recommends that a copy of this form is retained by the licensee.

Please note that exemptions must be granted prior to 28 days after the end of a return period to avoid levy liability arising. Exemptions granted after this time will result in the payment of a refund on the amount of levy paid by the licensee.
