Application for exemption under regulation 5(1)(a)
of the *Waste Avoidance and Resource Recovery Levy Regulations 2008*

FORM LL02-01

Regulation 5 of the *Waste Avoidance and Resource Recovery Levy Regulations 2008* (Levy Regulations) sets out the circumstances under which licensees can apply to claim an exemption from the regulations.

Licensees are required to use this form to apply for an exemption under **regulation 5(1)(a)** being:

- (a) uncontaminated soil or other clean fill that —
- (i) is, or is to be, used after the completion of landfill operations to cover, to a depth of up to 500 mm, waste disposed of on the premises; and
 - (ii) was accepted by the licensee at no charge;

Applicants should note that exemptions should be in place prior to 28 days after the end of the return period to avoid landfill levy liability arising.

Before submitting this application form please ensure you have done the following:

- Completed and signed the form as required.
- Included copies of the supporting information required as set out in the form.
- Read the Landfill Levy Fact Sheet No. 2 – Exemptions from the Levy Regulations (www.der.wa.gov.au/landfilllevy)

If there is insufficient room on any part of this form, continue on a separate sheet of paper and attach to this application form numbering ALL pages

Incomplete or illegible applications will not be processed. If you are unsure about completing any part of this application, please contact the Department of Environment Regulation (DER) on (08) 6467 5000. DER recommends that a copy of this form is retained by the licensee.
