Application for exemption under regulation 5(1)(g)
of the *Waste Avoidance and Resource Recovery Levy Regulations 2008*

FORM LL02-07

Regulation 5 of the *Waste Avoidance and Resource Recovery Levy Regulations 2008* (Levy Regulations) sets out the circumstances under which licensees can apply to claim an exemption from the regulations.

Licensees are required to use this form to apply for an exemption under **regulation 5(1)(g)** being:

- waste used for construction or maintenance work carried out on the licensed landfill if –
- i. the amount of waste is specified in advance in a plan prepared by a registered builder or an engineer; and
 - ii. no charge is made by the licensee for accepting the waste.

Applicants should note that exemptions should be in place prior to 28 days after the end of the return period to avoid landfill levy liability arising.

Before submitting this application form please ensure you have done the following:

- Completed and signed the form as required.
- Included copies of the supporting information required as set out in the form.
- Read the Landfill Levy Fact Sheet No. 2 – Exemptions from the Levy Regulations (www.der.wa.gov.au/landfilllevy).

If there is insufficient room on any part of this form, continue on a separate sheet of paper and attach to this application form numbering ALL pages.

Incomplete or illegible applications will not be processed. If you are unsure about completing any part of this application, please contact the Department of Environment Regulation on (08) 6467 5000. DER recommends that a copy of this form is retained by the licensee.

Part 1 Licence details

This information relates to the licence issued for the landfill by DER.

| | | | |
|------------------------------------|--|--------------|--|
| DER licence number | | | |
| Licensee name | | | |
| Name of landfill facility | | | |
| Licensee ABN | | Licensee ACN | |
| Address of facility as per licence | | | |
| Postal address of facility | | | |

Part 2 Licensee contact details

| | | |
|--|-----|----|
| Has the waste been, or will the waste be, accepted at landfill at no charge? | Yes | No |
| | | |

Required supporting documentation/information

Please include the following as part of your application package.

This application form will not be processed without these being attached/completed.

A plan of the construction or maintenance work prepared by a registered builder or engineer. The plan should include the details of the registered builder or engineer along with a copy of the registration certificate and the amount of waste required for the construction or maintenance work.

Plans may include:

- diagrams and cross-sections;
- surveyors plans; or
- maps of the facility's proposed works.

Evidence to show that the waste received, or to be received, at the landfill was or will be accepted by the licensee at no charge.

Lodgement

Applications should be addressed to: Manager, Industry Regulation Compliance
